

Help us raise funds for St Luke's Hospice

Your group could help pay for a patient's care at
St Luke's Hospice for the day!

St Luke's is where people from all over Mid and South Cheshire can find a safe refuge during a difficult journey. We're a small hospice with a big heart, offering high levels of specialist care within a gently supportive environment.

Did you know...

- £53 provides a one hour session of complementary therapy
- £76 pays for a counselling session
- £269 funds a day at the Day Hospice for a patient
- £444 funds the cost of a 24-hour stay in the In-patient unit for one person

There are many ways that your group can help us raise vital funds for St Luke's Hospice. We have helped groups with organising a wide range of events including:

Fashion Shows

Quiz Nights

Concerts

Dinner Dances

Even a Sponsored Leg Wax!

So if you have a money-raising idea that you think could catch the public imagination, let us know.

We'll put your event on our website and supply you with t-shirts, collecting buckets, banners and sponsor forms as well as all the advice and encouragement you need to organise your own event.
